

STRIVE Prep Montbello Supply List

1 backpack	Students need a place to keep all of their work, their school chromebook, and their supplies.
1 3" binder	Students will keep all papers inside the binder
1 Pack Binder Tabs	You must have tabs for: ELA, Math, World Studies, Science, PE/Health, and Achievement Block
1 Folder with pockets	This folder will be used for any papers that need to be brought home
1 packet of lined paper	This paper will be used for notes and assignments
Pencils	Pencils can be manual or mechanical; teachers will not have lead available.
1 Mini Pencil Sharpener	Students will need to provide their own pencil sharpener to minimize the shared use of a pencil sharpener in the classroom.
1 Pack Highlighters	Get at least 3 different colors
1 Pack EXPO/White Board Markers	Expo markers will be used for personal white boards. Students are responsible for having their own marker every day.
Headphones (Cheap) MUST be able to plug into a computer.	Students will be able to listen to audiobooks and recorded lessons as assigned only.
1 package of three (3) boxes of Tissue	Students will need to bring their own personal tissues for use during the day. We will not have shared tissues provided for students.
Personal hand sanitizer	If you are able to find a personal supply of hand sanitizer for your child, this will benefit them with helping to prevent germs from spreading
3-4 Reusable Masks	While we will provide one reusable mask to each student, we suggest that you purchase more. It will be required that all people in the school building wear masks at all times.
Reusable Water Bottle	Students should bring water with them to school everyday. Due to health guidelines for COVID-19, water fountain access will be very limited. We strongly suggest doing that in a reusable water bottle to reduce waste.
Optional: 1 package of Three (3) Lysol wipes	These will be pooled as classroom supplies. If you are able to find this it will help the teacher and students in keeping the room extra clean throughout the day
