We are so excited to be serving both you and your students this fall. We know that we are living in unprecedented times, and that the ongoing messaging for Coronavirus is changing daily. As you register for the school year, we want to ensure you and your family are aware of one important uniform policy change for the start of 2020/2021.

All students and staff will be required to wear a mask at all times while in the building. This will be non-negotiable. Additionally, all parents and families will be required to wear a mask when entering the building for any reason.

Our ask is that together, as a Puma family, we do our best to adhere to these new guidelines at all times, and to have the necessary conversations with your scholars on the importance of this new policy as we look out not only for ourselves, but for one another.

Thank you for your ongoing support and we cannot wait to work with you and your scholars this year.
